(Endnotes)

- ¹ The credit rate for a particular school or average is subject to change in the event that the school, or a school included in the average, changes its tuition rate for academic year 2009-2010. Most of the credit rates reflect the assessment of a premium designed to maintain the fiscal integrity of the Guaranteed Savings Plan.
- ² Community Colleges (except Lehigh-Carbon, Luzerne, and Pennsylvania Highlands) and the PA College of Technology charge only by the academic credit, not by the semester. Therefore, semester rates are not listed (except for Lehigh-Carbon Community College). Typically, a full-time student at these schools takes 15 credits per semester. For other Tuition Levels, the GSP Semester Rate is 12 GSP Credits.
- ³ Has no premium.
- ⁴ In calculating the State-Related University Average, all state-related university Tuition Levels that were used in calculating the average for academic year 2004-05 were used; any Tuition Levels that were added in academic year 2005-06 were not included.
- ⁵ Includes premiums of 8% above current Actual Tuition.
- ⁶ Includes premiums of 2% above current Actual Tuition.
- ⁷ Applies to any non-resident from Delaware, Maryland, New Jersey and New York.
- ⁸ Applies to any non-resident with SAT scores of 1,000 or higher and at least a 3.0 GPA or the top 30% of their graduating class. Students must maintain a 2.75 GPA to retain this rate. Transfer students will qualify with the same criteria and must have at least a 2.75 GPA from their transferring university.
- ⁹ Applies to any high-achieving non-resident student in the following majors: biology, chemistry, computer science, mathematics, and physics.
- ¹⁰ Applies to any non-resident from Ohio, Virginia, West Virginia, Indiana, New Jersey and Michigan attending the main campus and all non-residents attending branch campuses. Also applies to any non-resident attending main campus who has a high school cumulative GPA of at least 3.0 out of 4.0 or any transfer students with a GPA of at least 3.0 out of 4.0.
- ¹¹ Applies to any non-resident from New York.
- ¹² Applies to any non-resident transferring from five neighboring Maryland community colleges with dual admission agreements (contact Shippensburg University at 800-822-8028 for a listing).
- ¹³ Applies to all Maryland residents not covered by the tuition differential explained in endnote 12 (contact Shippensburg University at 800-822-8028 for a listing).
- ¹⁴ Applies to any non-resident with a GPA of at least 3.0 out of 4.0.
- ¹⁵ Applies to international students attending any of the State System of Higher Education universities.
- ¹⁶ The rates for this tuition level are based on the average of Freshman, Sophomore, Junior, and Senior tuition charges for all programs of study except those for which separate tuition levels are specified. For beneficiaries at this Tuition Level who attend Pennsylvania State University, payment from the GSP account will be the Actual Tuition set by the school for the class level which the beneficiary has attained. For beneficiaries at the Tuition Level who attend a private or out-of-state school, payment from the GSP account will be the average Actual Tuition of the class levels used in calculating the rates.
- ¹⁷ For all campuses, Category 1 programs of study include the Smeal College of Business. Additionally, the following programs of study at the indicated campuses are included: The Department of Business at Altoona, Berks and Other Campuses (including Abington), the School of Business at Erie; and Business Administration at Harrisburg and Schuylkill. For information on the specific majors in this category contact Pennsylvania State University.
- ¹⁸ For all campuses, Category 2 programs of study include the College of Engineering, the College of Earth and Mineral Sciences, the Eberly College of Science, and the School of Information Sciences and Technology. Additionally, for the following campuses the indicated programs of study are included: at Other Campuses, the Department of Science; at Mont Alto, the Occupational Therapy program; at Erie, the School of Science, the School of Engineering and Engineering Technology; at Harrisburg, Science/Engineering; and at Schuylkill, Science/Engineering. For information on the specific majors in this category contact Pennsylvania State University.
- ¹⁹ This Tuition Level was added effective September 1, 2003. For contributions made before September 1, 2003, retroactive conversion to this new Tuition Level is available only for beneficiaries actually enrolled in the academic program associated with this Tuition Level. For others who switch to this Tuition Level, the dollar value of their GSP Credits attributable to contributions made before September 1, 2003 will be applied as a new contribution made on September 1, 2003.
- ²⁰ For all campuses, Category 3 programs of study include the Bachelor of Science in Science program.
- ²¹ This is a new Tuition Level effective September 1, 2004. For contributions made before September 1, 2004, retroactive conversion to this new Tuition Level is available only for beneficiaries actually enrolled in the academic program associated with this Tuition Level. For others who switch to this new Tuition Level, the dollar value of their GSP Credits attributable to contributions made before September 1, 2004 will be applied as a new contribution made on September 1, 2004.
- ²² For all campuses, Category 4 programs of study include the Bachelor of Science in Business program.
- ²³ Includes the following locations: Beaver, Delaware County, DuBois, Fayette, Hazleton, Greater Allegheny (formerly McKeesport), Mont Alto, New Kensington, Shenango, Wilkes-Barre, Worthington-Scranton and York. Included in prior GSP Tuition Rate Schedules as "Other Branches" or "Commonwealth Campus."
- ²⁴ This Tuition Level was added effective September 1, 2007. For contributions made before September 1, 2007, retroactive conversion to this new Tuition Level is available only for beneficiaries actually enrolled in the academic program associated with this Tuition Level. For others who switch to this Tuition Level, the dollar value of their GSP Credit attributable to contributions made before September 1, 2007, made before September 1, 2007 will be applied as a new contribution made on September 1, 2007.
- ²⁵ This Tuition Level was added effective September 1, 2008. For contributions made before September 1, 2008, retroactive conversion to this new Tuition Level is available only for beneficiaries actually enrolled in the academic program associated with this Tuition Level. For others who switch to this Tuition Level, the dollar value of their GSP Credit attributable to contributions made before September 1, 2008, made before September 1, 2008 will be applied as a new contribution made on September 1, 2008.
- ²⁶ This is a new Tuition Level effective September 1, 2005. - ²⁷ Lehigh-Carbon Community College instituted a new tuition rate structure in academic year 2005-06. Luzerne County Community College and Pennsylvania Highlands Community College instituted a new tuition rate structure in academic year 2008-09. Students taking between 12-18 credits per semester are charged a flat rate. Unlike semester rates for most schools, which are based on 12 credits (see endnote 3 above), Lehigh-Carbon and Luzerne County have made their semester rates the cost of 15 credits at the per-credit cost and Pennsylvania Highlands has made its semester rate the cost of approximately 15 credits at the per-credit cost. Accordingly, the GSP Credit Semester Rate is equal to the cost of 15 GSP Credits. This means that the equivalent of 15 GSP Credits are needed for a beneficiary using a GSP account at Lehigh-Carbon Community College, Luzerne County Community College and Pennsylvania Highlands Community College who takes between 12 and 18 academic credits.
